Happy New Year!!

I want to wish everyone a very Happy New Year! Our Christmas party was a huge success. We had plenty of good food, fun and fellowship. A Special Thank You to everyone for the beautiful basket. I wish to Thank All of you who helped with the dinner we couldn't have done it without all of you. Our gold raffle was a Great Success!! You all really pitched in and made it very successful.

Congratulations to Jim Blackburn for Treasure Hunter of the Year. I hope you all will challenge him this year with many new finds in our find of the month contest. The final totals will be posted in the next newsletter due to some technical difficulties. I apologize for the short issue but I am in Florida and the internet down here is not working, and will not allow me to receive the email to make the newsletter in it's usual format.

January Meeting

Our meeting this month should be very interesting. Our guest speaker will be Joe Franchino. He will speak on bottle collecting and digging. He has a huge collection of bottles and has been collecting for many years. He will give us some insight on what age the bottles are, how to tell how they were made, rare bottles and common bottles.

DETECTING CHATS

My website features
a scheduled daily
and weekly chat
about all things
metal detecting.
Also, members can
upload pictures of
finds so they can
post pictures at
other forums.

Bring in those bottles you would like more information about this month and Joe will help you identify and price your bottles.

Don't forget to bring in your find of the year entries this month for our contest along with the finds from December for the find of the month contest since there is not one held in December. We hope to have a good turnout of entries for both contests.
