**We need a PRESIDENT for our CLUB**

**Urgent!!!!!!**

We are in need of a new President for our club. We have no one as of today who has shown any interest in taking this position over. Terry cannot do it do to business commitments that take him out of the country. It really isn't that difficult of a job and anyone in the group is capable of taking over this job. I know there is someone in our club who can step up. Your main job is running the meeting. Getting ideas or speakers for the meeting, taking care of simple projects like making sure everyone shows up for the picnic setup and light work like that. I handle the newsletter, the treasury, the secretarial work and help with ideas for speakers and topics for our meetings. Terry will assist in all of the above duties as needed and as he can. We know many of you have fresh ideas and can make our meetings interesting and fun. Please don't let our club go without a GOOD PRESIDENT. Step up to the plate and help us out. If more than one of you would like to do it together, Part time for both of you that would be acceptable also.

Please contact Terry or myself at the meeting or contact us by email or phone. Terry is willing to assist the new President as Vice President and I will most likely be willing to stay as Sec. / Treasurer and will continue with the newsletter for now.

## January Meeting Notes

1. Eric Stransky gave an insightful discussion about Haiti. He was stationed there in the 1990s for the US Army. He said the country is very poor and lacks any infrastructure to manage small problems, let alone a catastrophe. He said it will take a long time for Haiti to recover from this earthquake. Thanks Eric for you talk!
2. We still need a new president! I won't be at the meeting in March due to business commitments. A new president is needed ASAP.
3. Thanks to everyone who brought their "Finds of the Month" as well as their best finds of 2009.

Please pickup your gold raffle tickets to sell for the next 2 months. We would like each member to sell at least 2 books of 6 for \$5.00 each to reach our goal. The more we sell the better our account will be for a big picnic.

### **February MEETING**

We had a suggestion from one of the members to have everyone bring in the detector they prefer to use while out hunting. We have a lot of new members who would like to see them so that they can decide which detector would suit them best. If you have a detector for sale, please bring it to the meeting to show it to our interested members. Also if you have any shovels or picks or any hunting gear you wish to sell or give away, bring it also to the meeting for those looking to purchase this type of items.

**If you wish to share your likes and dislikes of your detector, contact either Terry or Tammy at the meeting or email us and let us know so we can give everyone a chance to discuss their detectors.**

**If the weather is bad or snowy please *watch channel 3 for our cancellation announcement or call Tammy or Terry if there is any doubt. We will try to make a decision as soon as possible. When in doubt call first!!!!***

**This message came from Lost Treasure Magazine:**

Dear Treasure Hunting Clubs,

I need your members' stories and photos of rings, jewelry, anything of value (even if just sentimental value) found and returned to its owner for our monthly "Civic Patrol" column. Please pass the word to your members and tell them they can send theirs to me at this address.

Thanks so much,

**Carla Banning
