**May Meeting**

\_\_\_\_I would like to Thank Jane Mishkind for coming and talking to us on jewelry and thank all those who brought in items to share with us. She is very knowledgeable in antique jewelry and in identification of diamonds, precious stones gold etc. She said if any of you have any pieces you would like help with she would be glad to help you out as best she can. We would also like to give her a warm welcome as a new member to our club.

If anyone has any items they may want to donate for the club hunts like Indian Head cents, Buffalo nickels, tokens, junk jewelry, etc. Please give these items to one of the officers.

Dues are due so please pay promptly. Additionally, if any members know of anyone who would like to join the club, please have them come to the next meeting or give their name and address to Tammy.

If you have ordered a shirt, please pick it up at the meeting. Cost is \$12. Several other people ordered shirts at the last meeting but I can't place an order until I have at least 12 shirts to order – that's their minimum. So you may want to ask people to order shirts.

you.

**The fastest way to get a permit to detect in the Metro Parks is to call them at 216-635-3200. They will send a permit directly to your home. Don't forget you need a permit for our picnic in June!**
