## May Meeting

I would like to Thank Bernie Benewiat for sharing the video about Chippewa Lake. It brought many happy memories for a lot of us who used to attend the park many years ago. It was very interesting to learn facts about the park and its history. We would like to have your feedback and ideas for up and coming meetings. We would like to know what you want for topics. Things that you are interested in and would like to learn more about. Also if there is any interest in learning scuba diving or attending scuba classes. This is your club and we would like to cover the topics you are interested in.

If you want to hunt in the club hunt, you must be a paid member or paid family member.

Please bring in your finds for the Finds of the Month contest. Even if you don't feel it will win, we would like to see the interesting items everyone finds. You get points for each item you enter so you don't have to win to gather a lot of points.
