## **How Low Can Your Detector Go?**

We will be meeting on Thursday, September 11<sup>th</sup> at 7:30P.M. at the Solon Historical society. This month's meeting is going to be a little different. We are going to plant a sample field and test your detectors out to see what you can pick up and how much depth you can get out of your detector.

We will be planting silver dimes, silver quarters, silver halves, nickels, iron, coins on their sides and many other examples of things you might come across on the field. Bring your detectors and try them out. We are hoping to help tweak our hunting skills and help others with settings on their detectors to get more depth and to help identify targets by the sounds they give. Don't miss out on this meeting. It will be more fun with a lot of different types of detectors to compare.

I will be bringing a special desert to share with you this month to celebrate Richard's 65<sup>th</sup> Birthday!

Dues are due so please pay promptly. Additionally, if any members know of anyone who would like to join the club, please have them come to the next meeting or give their name and address to Tammy.

If you have ordered a shirt, please pick it up at the meeting. Cost is \$12. Several other people ordered shirts at the last meeting but I can't place an order until I have at least 12 shirts to order – that's their minimum. So you may want to ask people to order shirts.

**We will be starting our 2008 Gold Raffle this month. Here is a list of coins that will be the prizes:**

**1<sup>st</sup> Place-1909 Indian head US \$5.00 gold piece (this is a much better and more collectible coin than the \$5 piece we had last year).**

**2<sup>nd</sup>-5<sup>th</sup> Place - Two peso gold coin**

**6<sup>th</sup> -10<sup>th</sup> Place- Pre 1900 silver dollars in very nice condition**

**See Tammy to pick up your tickets. Drawing will be at the Christmas party!**
