**Message from the President Terry Stahurski**

Terry has decided to run for Vice President this year. We are going to be looking for someone to run for President for the year of 2010. If you would like to bring some fresh and exciting ideas to our meetings please contact Terry or I at the meeting or contact us by email or phone. Terry is willing to assist the new President as Vice President and I will most likely be willing to stay as Sec. / Treasurer and will continue with the newsletter for now. If you are interested in running for any office please see any of us at the next meeting.

**I will be creating a page for networking amongst our members. If you have a business and would like us to put an ad in our newsletter, just bring or email your add to me before Jan. I will then print them in the next newsletter. Please limit the size to approx. 4 lines. Times are tough and I would like to see us patronizing our own members.**

# NOVEMBER MEETING

This month's meeting will be about setting up your detector to get the most depth out of your detector and how to set them up for different types of ground and minerals in the soil. I will bring my Minelab, Shadow, and 2 water detectors (CZ 21 and the Tiger Shark). Bring in your detector and share your favorite detector and we will try to help you get the best out of your detector. Email me your make and model and I will try to get you some information on setting it up before the meeting. Bernie will also be bringing his diamond tester if anyone needs to check out their gems. I have 2 DVDs on Minelab that I will be running on the laptop for you to look up any questions you have on your detector.

We also need to have someone volunteer for the President of our club. We need you and your ideas. Please contact me before the meeting if possible. Don't be afraid it won't hurt a bit. Just raise your hand at the meeting or contact me by phone at 440-865-6062 or [rtkepler8@hotmail.com](mailto:rtkepler8@hotmail.com). Thanks and I hope we see you at the meeting!
